Evaluation Criteria — Full Breakdown

Understanding exactly how you are evaluated helps you present your work in the best light during the review call. Your supervisor assesses your performance against five weighted parameters.

Parameter	Weight	Full Marks Criteria	Partial Credit
CRM Lead Volume	35%	100+ fully completed leads	70-99 leads = partial, below 70 = minimum
CRM Data Quality	25%	80%+ fields filled, zero duplicates, consistent formatting	70-79% = partial credit
Outreach Execution	20%	25+ messages sent, all logged with timestamps and response status	15-24 messages = partial credit
Demo & Meeting Outcomes	15%	3+ demo conversations completed AND 1 meeting scheduled	Either 3 demos OR 1 meeting = 10%
Professionalism	5%	Daily check-ins submitted via portal, supervisor updated, responsive communication	Partial based on consistency

Scoring Summary

Score Range	Outcome	Next Step
85% – 100%	Outstanding	Priority onboarding — senior role discussion
70% – 84%	Strong Pass	Confirmed onboarding within 3 business days
60% – 69%	Pass	Confirmed onboarding with additional mentoring in first week
45% – 59%	Conditional	One additional week at supervisor's discretion
Below 45%	Re-evaluation	Discussion with founder — case-by-case basis

DAY 7 • SECTION 4

The Review Call — What to Expect

Your Day 7 review call is a 20-30 minute one-on-one conversation with your assigned supervisor. It is not an interrogation — it is a structured discussion about your performance, your observations, and your readiness for full onboarding.

Typical Review Call Structure

- 1 OPENING (2-3 min): Your supervisor will briefly introduce the call format and confirm your report has been received.
- 2 CRM WALKTHROUGH (5-7 min): You will be asked to open your shared CRM sheet and walk through it briefly — confirming lead count, data quality, and priority flags.
- 3 OUTREACH REVIEW (5 min): You will discuss which messages got responses, what the conversations were like, and how you handled objections.
- 4 DEMO & MEETING DISCUSSION (5 min): If you had demo conversations or meetings, you will describe them. What was the client's reaction? What is the current status of that lead?
- 5 LEARNINGS DISCUSSION (5 min): Your supervisor will ask what surprised you, what was harder than expected, and what you would do differently.
- 6 DECISION & NEXT STEPS (3-5 min): Your supervisor will share your preliminary evaluation score and communicate the onboarding decision and timeline.

HOW TO PREPARE FOR YOUR REVIEW CALL

1. Have your CRM sheet open and visible before the call starts.
2. Have your training report document open in another tab.
3. Prepare 2-3 specific examples of interesting leads or conversations you had.
4. Be honest about what you struggled with — supervisors value self-awareness over false confidence.
5. Have a question ready to ask your supervisor about the post-training role.

DAY 7 • SECTION 5

Score	Training Pay Credit
85%+	Full training week credit — maximum payout
